RELY ON EXCELLENCE

BuraGlas INC 7260/INC

Packings & Gaskets | Glass fiber seals & tapes

Features

TechnicalData>BuraGlas INC 7260/INC is a braided glass fiber packing with a core of HT glass fiber yarn with Inconel reinforcement and special impregnation. BuraGlas braided materials contain no combustible backings and so are non-flammable.

Advantages

- Very high temperature stability

Operating range

Pressure: p = 10 bar

Temperature

- Continuous operation:
  t = -100 °C ... +750 °C
  (even in contact with air)

Chemical resistance:
pH = 5 ... 9
Resistant to water, steam, oil, neutral and dry gases.

Recommended applications

Industries

- Petrochemical industry
- Power plant technology
- Mining industry
- Building services industry
- Metal production and processing

Components

- Tanks
- Coal mills
- Heat exchanger
- Furnace doors
